

## Disability helpline cash gift

WEST LANCS Disability Helpline has received a two-year donation of £18,340 from the Lloyds TSB Foundation.

The helpline was first established in the 1970s, and provides high quality, free, information and advice to people with disabilities

and carers in West Lancs.

Tony Lewis, manager, said: "We are very grateful to the Lloyds TSB Foundation for this donation. It will ensure the continuing provision of this valuable service to the West Lancs community."

Yvonne Taylor, grants officer for the Lloyds TSB

Foundation, said: "We are delighted to be able to help."

The main activity of the charity is the 24-hour freephone answer service, as well as a drop-in service at the Skelmersdale office, and a welfare benefits home visiting service for housebound people.
